Crime Intervention Alarm DVR Service Agreement

Protect your investment and save time and money.

Crime Intervention Alarm's service agreement covers normal wear-and-tear on your equipment, and includes parts and labor. However, our service policy goes beyond an extended warranty to also include the following:

DVR Service Agreement Benefits:

- Easy remote connect for viewing cameras via Internet to eliminate the need for static IP address
- Cleaning and focusing of cameras
- One free location change per camera to another location on-site
* Trenching and overhead wiring are not included.
- Free telephone technical support including remote connection
- 10% Discount on future upgrades at current location
- Free DVR software upgrades as industry standards dictate
- 100% coverage of all parts and labor for the term of the service policy
* Some limitations apply. Ask for details.
- 10% Discount on CIA security system monitoring at DVR location
