

Boonsboro Middle and High School Warrior Bands

Dear Washington County Business Owner,

The Boonsboro Warrior Bands participate in many community events throughout the year, such as the Christmas and Memorial Day parades, home football games, and community concerts. In addition the high school takes part in Marching Band, Indoor Percussion/Guard, Concert band, ensembles and festivals.

Our fundraising goals this year include:

- Trip Year: Travel costs for students to perform in Disney World!
- Instrument Maintenance & Repair
- Cover Transportation Costs to performances
- Maintenance and Repair on trailers

The Boonsboro Band Boosters are seeking your support for our band programs for the 2018-2019 year. Please help us reach our goals by selecting one of the sponsorship options below:

Option 1: NEW SPONSOR Your business will be advertised by decal on our band trailer, in all Concert Programs, and on our Social Media Platforms (Website & Facebook)\$150

Option 2: EXISTING SPONSOR Thank you for continuing to support our band! Your business name will remain on our trailers, in programs, and added to our social media platforms \$100

Option 3: GENERAL PROGRAM SUPPORT Every penny raised supports our band! We will recognize your business in our spring concert program on our social media platforms..... \$50

100% of your sponsorship directly supports our hard-working student musicians. With very limited funds available from the school system budget, we rely heavily on the financial support of community members and businesses throughout the Boonsboro and Washington County area. Without your essential support our band program as it is today would not be possible.

We appreciate your sponsorship and thank you for your support of our students and their bands!

Sincerely,
Shannon Burkner, President
