Mr. Paul Mantello
Town Manager
Town of Boonsboro
21 North Main Street
Boonsboro MD 21713

Dear Mr. Mantello:

Thank you for applying for FFY 2023 Transportation Alternatives (TA) Program funding for the Town of Boonsboro Safe Routes to School (SRTS) project. The Maryland Department of Transportation State Highway Administration (MDOT SHA) appreciates the Town of Boonsboro's interest in the TA Program.

It is my pleasure to announce that the Town of Boonsboro is being awarded \$1,193,350 for the Town of Boonsboro SRTS project. This funding will be used to design 7,800 feet of new and upgraded sidewalks leading to the Boonsboro schools complex, focusing on Orchard Drive, Ford Avenue, and Center Street.

The MDOT SHA administers federal discretionary grant funding apportioned to the TA Program. Project sponsors must meet both federal and State requirements to secure these funds. Ms. Christy Bernal, MDOT SHA TA Program Manager, will contact you shortly to set up a project kickoff meeting and to discuss how the Town will seek reimbursement for project expenses. Please be aware that any expenses incurred prior to MDOT SHA issuing notice to proceed are ineligible for reimbursement. Accordingly, please do not initiate any aspects of this project for which you anticipate seeking reimbursement until you have received notice to proceed.

Congratulations and thank you for the Town's participation in the TA Program. If you have any questions, please contact Ms. Bernal at 410-545-5659 or via email at cbernal@mdot.maryland.gov. Ms. Bernal and the TA Program staff will be happy to assist you.

Sincerely,

Tim Smith, P.E.
Administrator
