The Town of Boonsboro has a population of 3,789 and provides Municipal Services, including Administration, Public Works, Water and Sewer, Engineering, Planning and Zoning, Parks and Recreation, and Police and Public Safety.

Accounts are organized using funds such as the General Fund, Water Fund, and Sewer Fund. Within the General Fund, expenditures are set up by programs/departments. The approved budgets for General, Water and Sewer Funds total approximately \$4.2 million. The Town has State and Federal grants; however, is not currently subject to individual Audit requirements.

The Town operates under a Mayor and Council form of Government. The Town Council is composed of an elected Mayor and six elected Council Members. The Mayor, with approval from the Council, appoints the Town Manager. The Town Manager is responsible for all Town management functions. The Town currently employs 22 full-time employees.

The Town utilizes Sage 50 Peachtree Accounting Software for its financial reports and information.

III. AUDITING STANDARDS

The financial statements are prepared to conform fully to generally accepted accounting principles (GAAP) and to be in full compliance with the requirements of the Governmental Accounting Standards Board (GASB) and/or Financial Accounting Standards Board (FASB) as appropriate. The auditor's opinion will be directed toward the fairness of presentation of the financial statements in accordance with GAAP. The auditor will also provide compliance reports as required under Federal and State law, if applicable. The audit of the financial statements will be in accordance with Generally Accepted Audit Standards issued by the Comptroller General of the United States.
