

Boonsboro Flat Frosty Event

Troop 15036 Host Offer

Date: August 1, 2019

Subject: Flat Frosty 2019

Our Troop would like to provide a “Frosty”, made of, outdoor poly-coated poster board cutout, to those that would like to participate for a fee, that will then be donated to the ASPCA and Washington County Children in Need, after expenses are covered.

The Frosty’s will be decorated by participants, collected by the Troop and displayed using zip ties attached to the poles along Old National Pike between the dates of December 1, 2019 and January 6, 2020. They will be hung at about the 10’ range so there won’t be anyone that can touch them. The Public Works employees will hang / remove the Frosties.

The Town of Boonsboro will allow people to drop off the finished Frosty the week of November 18, 2019 through November 26, 2019. A troop leader would be by on November 26, 2019 to pick them up.

The Frosty’s will be taken down on or about January 6, 2020. If there are any questions, feel free to contact us.

Thank you for your cooperation, this is not a contest but a fun charity event.

How to Decorate

For Frosty, you will want to keep in mind to use things/material that will stand up to the weather. He/she will be attached to a light pole along Old National Pike and exposed to sun, rain, snow, etc. If you clothe Frosty use old garments. This should go without saying but, please be respectful and proper with the decorating as these will be displayed to the public.

Other than that, advertise your business, have fun, and thank you very much for helping us.
