		360 Total	\$16,900
		Grand Total	\$380,565

Notes:

The Utility is responsible for purchasing a Transfer file for their billing system.

Pricing does not include installation, Billing SW, or SW Interface.

Pricing for meters and Gateways may change due to market volatility.

Pricing for Gateway tower and installation is highly estimated. The selected contractor's quote will supersede quoted figures.

We appreciate this opportunity to be of service.
