

Dear Boonsboro Supporter,

The Boonsboro High School Baseball team recently won the 1A Maryland State Baseball Championship. It was an exciting season and the boys proved they had true Warrior Spirit. In every game they fought hard from the first play to the last. More importantly, they worked like a team every step of the way and set an example of what true sportsmanship looks like.

As State Champions they are able to purchase championship rings. These rings are not only a visible sign of their pride in their accomplishment but serve as a valuable memento they can keep for years and years to share one day with their own children. The rings are approximately \$200 per athlete but we believe that if, as a community, we take on this expense then we can gift the rings to the athletes and let them know that their community is supporting them.

A fund drive has been started to raise money for this purchase. We are asking local businesses if they would also like to participate. Boonsboro has always been a community that pulls together to support our own and celebrate the accomplishments of our citizens. We believe that to be true this time as well.

Donation checks can be made out to Boonsboro High School. Memo: Baseball Rings. Donations can be mailed to Boonsboro High School Baseball, Attn: Jenny Shank 5713 Red Hill Road, Keedysville, MD 21756. We are asking that all donations be received by Tuesday, June 12th. Any donation amount is appreciated!

Thank you,  
Friends of BHS Baseball
