Unfinished Business

Five movies have been selected and will be shown at dusk on the third Saturday of each month May-September.

Concerts

Concerts are being finalized.

Wagon Train

Everything is in place for the event.

Green Fest

It is a swap and recycle event. Everything is in place.

Fishing Derby

Everything is in place for the event. Nutters, Potomac Street Creamery, and Stone Werks have given gift certificates for the participants. Weis and AC&T have also given money/food for the event. We are waiting to hear from other businesses.

Green Team

There will be an orientation for new members on May 1 at 7:00pm in the Annex for new members. Mike Hunninghake will be the guest speaker.

New Business

Farmer's Market

The market would like to purchase a shed for their supplies. It would be the same color as the other sheds and would be placed at an approved location. Motion by Jeff and seconded by Greg to approve the purchase of a shed the same color as the other sheds and place it on the approved location. All approved.

Park Walk Through

1. Gazebo - termite damage in the ceiling, receptacle cover over steps is missing, branch on wire, Bradford sapling around the gazebo needs to be removed
2. Tulip trees near the basketball court need to be treated for tulip scale (questions contact Jeff Davidson)
3. Pavilion 4 - 2 bent tables, downspout needs to be reattached, edge around the pavilion is various heights, perhaps yellow paint on the edge would be helpful
4. A lot of carpenter bee holes are on the bridge railing closest to the farm
5. Bathroom near the scout building - outside door closer is bent, trash can for women's room
6. Clean, regrade, level, seed around the well head, new fencing
7. Pavilion 2 - wood at the peak of fascia needs to be replaced, several posts need repair, vulgar image on the picnic table near the path needs to be removed
8. Bathroom near the road - remove the display case, screw is missing from the Town of Boonsboro sign
9. Can a light be put on the pole along the path between Pav. 1 and 2?

Park Board would like feedback on what has been repaired. Thanks.

Respectfully submitted,
Sandra Shifler
