

Boonsboro Park Board

December 4, 2024

Present: Laura Schnackenberg, Jeff Davidson, Greg Solberg, Jamie Burton, Chris Hawkins, Sandra Shifler, Council Liaison Rick Weaver, Town Manager Rachel Souders

The meeting was called to order by Chairperson Schnackenberg at 7:05pm. The minutes were read and approved as amended: Tree City application **will be** completed, motion Greg, second Jeff, all approved.

Unfinished Business

Phase IV Walking Trail

The fine grading, stone placement, and paving should be started immediately. If it is not finished by Christmas it will be spring until the path is completed.

Basketball Court Repaving

The County has approved the changes to the DNR grant that were necessary for the repaving of the basketball courts. In addition to the repaving, four 10 foot benches, two at each court, new adjustable hoops, and padded poles will be added to the courts. In addition, six picnic tables, three 8 foot tables and three 10 foot ADA tables, will be added in the park.

Tree Board

The Tree City and Growth applications have been completed and submitted. Jeff will put together a proposal for an application to be completed if a memorial tree is to be planted.

Disc Golf

The components for the disc golf course will be shipped to the Town garage. Volunteers will set up the course.

New Business

Olde Tyme Christmas

Everything is ready for the event. Two new costumes, The Grinch and Gingerbread Man have been purchased.

Chris Hawkins is resigning from Park Board. We thank Chris for her years of service and hard work, especially for her dedication to the Fishing Derby and Olde Tyme Christmas

Respectfully submitted,
Sandra Shifler
Secretary
