## **New Business**

### **Pavilion 1 Mural**

We possibly have a volunteer to work on the mural on Pav. 1. There was discussion if we should start over or continue with what is already there. There will be more discussion after the person looks at the project.

### **Educational Signs for Feeding Ducks**

It has been brought to the attention of the Park Board that people are feeding the ducks bread. Since this is hazardous to the ducks, concerned citizens have suggested that educational signs be put near the water to warn people of the problem. The Board was told that Hagerstown City Park has these signs in place as well as meters that dispense duck food for a nominal amount of money.

Chris will check on this information and Sandy will check with City Park about how it is handled there.
