Unfinished Business

Arbor Day/Earth Day/Park clean-up - Recap

Everything went well: a tree was planted, and a huge thank-you to Cub Pack 20, Boy Scout Troop 51, and Girl Scout Troop 40709 for their help with clean-up of the park and stream.

Tree Board - Update

The recent planting of the trees near the library was not approved by the Town. Awaiting more information about who approved and planted the trees.

The new chairperson of the Tree Board is Kim Pruitt.

Paul is exploring grant funding for a fall tree give away. This would be on a smaller scale than last year, about 100 trees to plant around town and 100 to give away.

Green Fest Swap and Recycle

Everything at the event went well.

Wagon Train

Everything went well at the event. There were about 7 wagons and people on horseback. D&D ponies, a blacksmith, and Post 10 Auxiliary were at the event.
