Dear Contributor,

Once again, various natural resource agencies within Washington County have combined their efforts to organize and hold our annual Washington County Envirothon.

The Envirothon is a conservation education program/competition having two objectives; the first objective is to test the environmental knowledge and understanding of high school students on State resource issues, and secondly, to cultivate a desire to learn more about the natural world within students in high schools across the State.

The Washington County competition is scheduled, April 4, 2024. Your potential contribution provides for the expenses of purchasing T-shirts for the participants, the team awards, lunches, and transportation costs.

Any contribution given, as in previous years, is very much appreciated! Any organization or company contributing to the program will be mentioned in any anticipated programs or press releases, as well as, featured on the T-shirts.

Contribution checks shall be made payable to "WCSCD" and mailed/dropped off to:

Washington County Soil Conservation District  
1260 Maryland Avenue, Suite 101  
Hagerstown, MD 21740

WCSCD is a 501(c)3 non-profit organization and all donations are tax deductible. Our sponsorship deadline is March 4, 2024.

If you have any questions, please feel free to contact our office at 301-797-6821 or email Ginger Noble at [ginger.noble@maryland.gov](mailto:ginger.noble@maryland.gov).

Thank you in advance for your time and consideration!

Sincerely,
