

Boonsboro Middle and High School Warrior Bands

Dear Business Owner,

The Boonsboro Band Boosters are seeking your support for our band programs for the 2024-2025 year. 100% of your sponsorship directly supports our hard-working student musicians. With limited funds available from the school system budget, we rely heavily on the financial support of community members and businesses throughout the Boonsboro and Washington County area. Without **YOUR** essential support our band program as it is today, would not be possible.

The Boonsboro Warrior Bands actively participate in community events throughout the year such as the Christmas and Memorial Day parades, home football games, and community concerts. The Boonsboro Band Boosters help support the Middle and High School Band programs by purchasing equipment and uniforms, providing support staff, and helping students travel to festival and competitions. The high school band takes part in Marching Band, Indoor Percussion/Guard, Concert Band, ensembles and festivals. Your support makes all of this possible for our students.

This year is a Trip Year for our high school students who will travel to Orlando, FL to perform at Disney Springs in April. This is a great opportunity for the students. Please help us reach our goals by selecting one of the sponsorship options below:

Option 1: NEW SPONSOR Your business will be advertised by decal on our band trailer, in all Concert Programs, and on our Social Media Platforms, 4 media posts through the school year.....**\$200**

Option 2: EXISTING SPONSOR Thank you for continuing to support our band! Your business name will remain on our trailers, in programs, and added to Social Media Platforms, 4 media posts through the school year.....**\$100**

Option 3: GENERAL PROGRAM SUPPORT Every penny raised supports our band! We will recognize your business in our winter and spring concert program and on our social media platforms..... **\$100**

Option 4: SPONSOR A STUDENT TRIP Every penny raised supports our band! This option will directly help offset the cost of the spring trip to Disney by helping a student in need. We will recognize your business in our spring concert program and on our social media platforms..... **\$50**

We appreciate your sponsorship and thank you for your support of our students and their bands! Please contact the Boonsboro Band Boosters if you would like to discuss supporting the band by supporting the refurbishment of the trailer or advertising on the Band Booster concession building.

Sincerely,
Christina Cook, President
