Dear Envirothon Contributor,

Once again, natural resource agencies within Washington County plan to combine their efforts to organize, plan, and hold our annual Washington County Envirothon competition. The Envirothon is a conservation education program/competition having two objectives. The First objective is to test the environmental knowledge and understanding of high school students on State resource issues, and Second, to cultivate a desire to learn more about natural resources within high school students across the State.

The Washington County Envirothon is scheduled, April 8, 2026. Your contribution covers expenses, to include, purchasing t-shirts for the participants, team awards, lunches, and transportation costs. Any organization or company contributing will be mentioned in any anticipated programs or press releases, as well as, featured on the t-shirt. Contribution checks shall be made payable to "WCSCD" and mailed/dropped off to:

Washington County Soil Conservation District
1260 Maryland Avenue, Suite 101
Hagerstown, MD 21740

Our contribution deadline is March 6, 2026.

If you have any questions, please contact me at dee@conservationplace.com or Ginger at ginger.noble@maryland.gov.

Thank you in advance for your interest and consideration!

Sincerely,

A handwritten signature in blue ink that reads "Denise D. Price".
