

The Town of Boonsboro is pleased to announce the launch of the Façade Matching Grant Program for 2023.

The Town of Boonsboro has been awarded \$30,000 for the program this year. The Town's Grant Writer will begin accepting grants on May 1<sup>st</sup>, 2023 at 8:00 a.m. and will be open until funds are exhausted. Façade grants are competitive and are based on the order in which they were submitted via email. Applications will be reviewed and awarded by the town, Department of Housing and Community Development, and Maryland Historical Trust and will be based on their benefit to the community and the ability to enhance or maintain the historic integrity of the building. The program will be eligible to both residential and commercial properties located within the town's Sustainable Community designated area. Façade grants will be awarded up to 50% of the total cost of a project not to exceed \$3,000. Grants must be used for external improvements to street facing portions of the property only. Submittal may be done by being sent to the following email: [kgratton@mrdc.net](mailto:kgratton@mrdc.net).

Please contact the Town's Grant Writer, Kathryn Gratton at [kgratton@mrdc.net](mailto:kgratton@mrdc.net) to receive further information or questions regarding the program.
