2020 Town Election Update – *Election Board Member Eric Kitchen*. Election Board Member Eric Kitchen reported that during the Town Election on June 10, 2020, as required by Article 5 of the Town Charter, the Election Board, Town Clerk Heather

Slough, and a volunteer “disinterested person not affiliated with the Town” oversaw the validation and counting of a total 328 ballots, 14 of which were walk-in votes. The Town Election was uncontested and the incumbents, as advertised on the Town’s website and The Herald Mail, received the majority of those votes: Mayor Howard Long – 282 votes, Council Member Marilee Kerns – 270 votes, and Council Member Raymond Hanson – 236 votes. All three incumbents were sworn in at the Mayor and Council Meeting, on June 15, 2020. Mr. Kitchen stated that the Town receives all mail, including the 2020 mail-in ballots, through a mail slot located on the front facade of Town Hall, facing Main Street. Throughout the Election, Town Staff emptied the drop box periodically throughout the day, Monday through Friday, and secured all mailed ballots into a separate locked ballot box, located in the rear interior entryway of Town Hall. Adjacent to the rear exterior entrance, there is a book return drop box originally used by the Boonsboro Free Library for book-returns until 2008, when the Library moved to a new location. The drop box is clearly marked, “Do Not Use. Please use the Drop Box on the Front Door.” On Friday, June 26, 2020, 17 days after the election, a Town employee noticed the exterior door of the book-return drop box was slightly ajar. The Town employee found a bundle of mail including 163 uncounted ballots in the book-return drop box. After discovery of the uncounted ballots, Staff informed the Town Election Board, the Washington County Board of Elections, as well as the Mayor and Council, consulted with an Attorney for the Town, and followed proper chain of custody, by securing the 163 uncounted ballots into the locked ballot box. After review of security camera footage, it is evident that a US Postal Service Mail Carrier delivered the bundle of ballots and negligently deposited them into the decommissioned book-return drop box, on June 1, 2020. Mr. Kitchen further stated that the book-return drop box has been permanently removed from the façade of the building and the Town Election Board has filed a report with the Postmaster of the Boonsboro Branch of the United States Postal Service to ensure that a similar incident does not occur.

- **Ordinance 2020-06; Emergency Ordinance for Recount of Town Election Ballots:** Town Manager Mantello presented Ordinance 2020-06; *Emergency Ordinance for Recount of Town Election Ballots* noting that the Town Charter, Section 515, authorizes the Council to provide by Ordinance “for a recount of ballots in case of doubt or fraud” and due to the time-sensitive nature of the Town Election and certification of accurate and valid results justifies the Council adopting an Ordinance to authorize and order a recount of the ballots using the Emergency Ordinance provision set forth in the Town Charter. He stated that the Town Charter, Section 210, provides the procedure for adopting Ordinances and authorizes and enables the Council to enact an Emergency Ordinance by suspending the normal timeframe between introducing and adopting an Ordinance and enables the Council to introduce and adopt the Ordinance at the same Meeting, and to make an Emergency Ordinance effective immediately upon approval by the Mayor and Council. He further stated that the Mayor and Council find it in the best interests of the citizens to authorize and order a recount of the ballots for the June 9, 2020 Town Election and to adopt Ordinance 2020-06 as an Emergency Ordinance.

Motion by Council Member Hollingshead, second by Council Member Nally to approve Ordinance 2020-06; *Emergency Ordinance for Recount of Town Election Ballots*, with Council Member Kerns and Hanson abstaining.

Motion carried 4-0-2.

- Council Member Kerns stated that there are no funds budgeted in Fiscal Year 2021 for Election Expense, noting that costs associated with the ballot recount will need to come from Contingency Funds. Election Board Member Eric Kitchen stated that he would like his expenses to be donated to Boy Scout Olivia Stann for the Eagle Scout Project. **Motion** by Council Member Kerns, second by Council Member Nally to approve the use of FY2021 Contingency Funds for Election Expense during the recounting of ballots. **Motion carried.**
