

You're Invited!

Come learn about the Maryland Green Registry and Maryland Green Travel programs and enroll the same day!

When: February 10, 2014, noon to 2 p.m.

Where: Boonsboro Free Library

Maryland Green Registry and Maryland Green Travel members are saving over \$74 million annually through practical proven environmental practices. Meet with program representatives to learn more about these programs and receive on-site support in completing the membership forms.

The **Maryland Green Registry** and **Maryland Green Travel** are free membership programs that promote and recognize environmentally sustainable practices throughout the state. Maryland Green Travel welcomes restaurants, accommodations and tourism attractions while the Maryland Green Registry is open to all other types of businesses and organizations. Bring a brown bag lunch and your laptop or use the laptops we have available and receive immediate assistance in enrolling in this program. There is no cost to join.

For more information on program benefits, visit www.green.maryland.gov

Laura Armstrong, Pollution Prevention and Sustainability Coordinator, Maryland Green Registry Coordinator, Maryland Department of the Environment
