

# Boonsboro Park Board

February, 22,2023

**Present:** Laura Schnackenberg, Jeff Davidson, Chris Hawkins, Sandra Shifler, Council Liaison  
Rick Weaver

**Absent:** Greg Solberg, Isaac Whitmore

The meeting was called to order at 7:05 by Chairperson Schnackenberg.

## Guest Presenter

Roarke Rohde from Boy Scout Troop 108 presented the suggestion of an ADA accessible toilet to be put in Shafer Park. He felt the park needed this addition because it is used regularly by homeschooled children and their parents for meetings/recreation/etc., as well as many other children and adults. He was very specific that it be ADA accessible so it could be used by everyone. This suggestion/project is part of his Merit Badge requirement.

Rick will get information about acquiring a portable toilet until the restrooms are reopened and will check with Paul/Town Council about heat tracing in at least one of the restrooms.

The January minutes were read and approved. Motion Jeff, second Chris, all approved.
