

Boonsboro Park Board

December 3, 2020

Present: Greg Solberg, Isaac Whitmore, Jeff Davidson, Chris Hawkins, Rich Hawkins, Laura Schnackenberg, Sandra Shifler, Council Liaison Rick Weaver
The virtual meeting was called to order by Chairperson Schnackenberg at 7pm. October minutes were read and approved. Motion Jeff, second Greg, all approved.

Unfinished Business:

Olde Tyme Christmas

The event has been cancelled because of the pandemic. The cookies that were purchased were donated to San Mar and Micah's Backpack. Santa's mailbox was tabled until next year.

Landscaping at the Bandstand

All plants look good at this time.

Tree Board Update

The new maple that replaced the one that was damaged has been planted. The Tree City application for 2020 has been submitted.

Shafer Park Fence Demolition and Floodplain Restoration Update

Work is underway for the barbed wire fence removal. 148 trees will be planted along the floodplain. Isaac suggests that the Bradford Pear Trees in the floodplain area, about 4, should be removed because they are an invasive plant. He will follow up on this with Paul.

New Business:

Flagstone Repair

The flagstone around the bathroom near the basketball court needs to be repaired. After a discussion the Park Board decided that concrete would be a better choice than trying to repair the flagstone which will again need repair in the near future. A suggestion was made to lay a concrete slab and stamp it to look like flagstone. Rick will give the information to Paul to see if this would be possible. More discussion on this after we hear from Paul.

Meeting adjourned at 7:40pm. Motion Greg, second Jeff, all approved.

Respectfully submitted,

Sandra Shifler, Secretary
