Unfinished Business

Tree Board - update

A grant of \$20,000 from The Chesapeake Bay Trust will be used to plant trees in public areas around town (Main Street, Sycamore Run, etc.). The planting will be done in the fall.

The Tree City application was submitted in December.

The EDC is awaiting the completion and approval of their beautification plan for the town.

Several meetings will take place with the Tree Board and the GIS contractor to finalize and approve design, development and rollout of the Tree Inventory Database.

Olde Tyme Christmas - update

The event was a success with 90 goodie bags given to the children. Weis donated the cookies and cocoa mix and Cronise donated the apples.
