This quote is for Spichers to supply and install and setup a complete point to point system that will allow the police department to see and record up to 50 ip cameras there is also 15 new 4k cameras to be installed at the intersections in and around town . I have not included any lift rental as I believe you have a truck we can use to install on the poles. If not the we will need to rent a lift.

- * All products remain the property of Spicher's Security until paid in full.
- * Price quotes for installation are estimates only. If the job takes longer than quoted time, extra fees may be incurred.
