RE: FY2023 Legislative Bond Initiative by Boonsboro, MD (Chase Six – Campus Drive Intersection)

Dear Senator Guzzone:

This letter is to express endorsement of the requested Legislative Bond Initiative (LBI) to enhance the intersection of the Boonsboro Educational Complex's Campus Drive where it meets Chase Six Boulevard and intersects Maple Avenue (Rt. 66).

Maple Avenue is a busy road and a thoroughfare used by residents traveling to and from Hagerstown. Every day thousands of cars use Maple Avenue, many of them traveling above the posted 30MPH speed limit. Maple Avenue's proximity to the educational complex compounds the existing issues, and a lighted intersection is needed to ferry students walking to and from school. A lighted intersection would also serve to better control the flow of traffic and reduce speeding.

For these reasons, Washington County Public Schools supports this request and encourages the passage of the LBI for the town of Boonsboro.

Sincerely,

Boyd J. Michael III, Ed.D
Superintendent
