January 17, 2023

Dear Contributor,

Once again, this year, various natural resource agencies within Washington County have combined their efforts to organize and hold our annual Washington County Envirothon competition.

The Envirothon is a conservation education program having two objectives. The first objective is to test the environmental knowledge and understanding of high school students on State resource issues, and second, is to cultivate a desire to learn more about the natural world within students in high schools across the State.

The Washington County competition is scheduled for April 26, 2023. Your potential contribution provides for the expenses of purchasing t-shirts for the participants, the team awards, lunches, and transportation costs.

If your organization or company can continue supporting, or is willing to support, this worthwhile program with a financial contribution, we would be very grateful. Any organization or company contributing to the program will be mentioned in any anticipated programs or press releases and featured on the t-shirt. Contribution checks should be made payable to "WCSCD" and mailed to:

Washington County Soil Conservation District (WCSCD)
1260 Maryland Avenue, Suite 101
Hagerstown, MD 21740

WCSCD is a 501(c)3 non-profit organization and all donations are tax deductible. Our sponsorship deadline is **March 8, 2023**.

If you have any questions, please contact Ginger Noble at 301-797-6821, Ext. 3 or by email at ginger.noble@maryland.gov.

Thank you in advance for your consideration!

Sincerely,

A handwritten signature in blue ink, appearing to read "Dee Price".
